

Influenza Vaccination at Happy Kids International Kindergarten

Dear Parents,

Please provide me with the following information in order to vaccinate your children against influenza for the upcoming season. Remember: for children younger than 9 years of age, the vaccine requires two injections, given 1 month apart the first year it is given. After that, only one dose is needed in the subsequent years. Parents are advised to get vaccinated as well.

Price: 5000 HUF/ shot/person

Parent's name:

Influenza vaccination requested: YES or NO:
History of previous influenza vaccination: YES or NO
History of allergy to eggs: YES or NO.

Home address:

Phone number (landline and mobile):

E-mail:

1. Your child's name:
